

Rollable side seal

- For almost **all brands** of overhead doors:
Alpha Deuren, Novoferm, ConDoor, FlexiForce,
Albin-CE, Alldoorco, Alsta, Multideur, Crawford,
Hörmann, Seuster
- Delivered on a roll of 10 meters
- Easy and fast installation on the vertical angle profile
- A layer of butyl sealant keeps the side seal in place
- Packed in a handy 'pizza box'
- Lower transportation costs because of smart packaging and no long length
- Available from stock
